# MISSION STATEMENT

The mission of East Tennessee Performing Arts Association (“ETPAA”) is to promote the growth of performing arts activities in East Tennessee through community support, qualified adjudication, and relevant educational opportunities. ETPAA will provide a positive atmosphere where all participating members unite in the spirit of camaraderie and friendly competition.

# CODE OF CONDUCT & ETHICS

All employees, contractors, and volunteers of ETPAA are expected to accept and act in accordance with the policies and procedures outlined within this Code of Conduct & Ethics.

Definitions:

**Employee:** A person who is hired for a wage, salary, fee, or payment to perform work for ETPAA on a regular basis.

**Independent Contractor:** A person who provides seasonal services in exchange for a fee. Independent contractors are offered assignments for work. These assignments can be refused.

**Volunteer:** A person who gives of their time freely to ETPAA. Volunteers are offered assignments for various events. These assignments can be refused.

By the acceptance of employment or assignments, all employees, contractors, and volunteers agree to abide by this Code of Conduct & Ethics. A failure to adhere to the Code of Conduct & Ethics may subject the employee, contractor, or volunteer to termination or suspension of employment or revocation of any and all remaining assignments. ETPAA also reserves the right to remove said employee, contractor, or volunteer from future work with ETPAA.

ETPAA will not tolerate conduct that impacts negatively on the organization, either in terms of an employee’s or contractor’s individual work performance, workplace safety,

or the business interests and corporate image of ETPAA. All employees, contractors, and volunteers must consider themselves as an ambassador of ETPAA. You are not only expected to uphold all policies yourself but to help remind others of them when necessary.

Further, ETPAA reserves the right to discipline, discharge or suspend an employee, contractor, or volunteer who engages in or is alleged to have engaged in unlawful activity outside the workplace to the extent consistent with applicable law.

### **ALCOHOL**

The employee, contractor, or volunteer agrees to not consume alcohol while “at work” with ETPAA. “At work” includes the time period between the beginning of the day and close of the competition. The employee, contractor, or volunteer agrees not to consume alcohol until their responsibilities are completed for the day. Violators may receive disciplinary actions, including dismissal or suspension.

It is unlawful to bring alcohol onto any school grounds or most arena facilities. Violation of these laws could result in immediate dismissal or suspension.

Any employee, contractor, or volunteer transporting ETPAA personnel in vehicles must refrain from consuming any alcoholic beverages before or during the operation of vehicles.

### **DRUGS**

The employee, contractor, or volunteer agrees not to pursue, continue, or engage in the use of, or be under the influence of, illegal or recreational drugs or prescription medications or substances which may affect your ability to function or cause one to be impaired while “at work” with ETPAA. “At work” includes the time period between the beginning of the day and close of the competition. Violators may receive disciplinary actions, including dismissal and referral to law enforcement for violations of the law.

### **HARASSMENT**

Behavior that may be considered inappropriate or may be deemed as harassment is not allowed. Harassment refers to a wide spectrum of offensive behavior. When the term is

used in a legal sense, it refers to behaviors that can be found to be threatening or disturbing, and beyond those that are sanctioned by society.

Conduct that creates a hostile working environment is prohibited. Such conduct may include:

- Repeated unwanted sexual flirtations, advances, or propositions
- Verbal abuse of a sexual nature
- Verbal comments about an individual's body
- Sexually degrading words used to describe an individual
- Unwanted physical contact
- Any other behavior that is not socially acceptable in a professional environment

Any employee, contractor, or volunteer who is found after an appropriate investigation to have harassed another employee, contractor, volunteer, performer, or customer of ETPAA will be subject to appropriate disciplinary actions, including dismissal or suspension.

## **GENERAL CONDUCT**

Our reputation depends on the conduct of all employees, contractors, and volunteers. All those employed or engaged by ETPAA must play a part in maintaining that reputation to the highest ethical standards. Good manners, courtesy, and common sense are generally all that is required in order to ensure appropriate conduct and behavior. Conduct or language that could be perceived by a reasonable person as being rude, inappropriate, abusive, disorderly, derogatory, immoral, or threatening will not be tolerated.

## **SOCIAL MEDIA GUIDELINES**

Social media platforms including Facebook, Twitter, YouTube, Instagram, discussion forums, blogs, wikis, virtual worlds, or any other form of user-generated media are powerful informational engines for our activity. ETPAA recognizes the value and potential of these platforms to generate excitement for this sport. Everyone is encouraged to share that enthusiasm with friends, family, and the general public.

ETPAA will have a permission check at the beginning of each season for unit directors to choose whether photos and videos taken by official ETPAA personnel are subject to use by the circuit for promotion purposes (website, facebook, instagram, etc.)

Adherence to the following guidelines ensures the integrity of the adjudication and administrative services ETPAA provides to all indoor performance activities.

Guidelines for using personal social media:

- All parties should be aware of your association with ETPAA in online social media streams. Use common sense, professional judgment, and caution.
- No communication is allowed privately or publicly on any social media streams with any director, instructor, judge, or performer about any competitive aspect of a participating group. This type of communication is strictly prohibited.
- ETPAA staff and judges should never comment on an individual group's anticipated or actual performance or anything of a competitive nature, however positive. Such postings create openings for questions from anyone reading the post. What seems like an innocent comment can be easily misconstrued.
- ETPAA staff and judges should change personal settings on any personal social media to allow review and approval of any post visible to the public. Use caution on "liking" any post regarding any individual group or ETPAA.
- ETPAA staff and judges should use caution in posting or "tagging" photos or videos of any unit on your personal social media streams.

It is important to remember that anything posted on the Internet is permanent. Although it can be "taken down," it may well exist somewhere for years to come and often reach large numbers of people quickly. If misinterpreted or open to misinterpretation, such postings can do incalculable damage to the reputation of individuals, organizations, and ETPAA.

ETPAA will use these guidelines to determine whether an employee or contractor has been appropriate in their public online behavior with respect to their ETPAA-related responsibilities. Those employees and contractors associated with ETPAA must represent appropriate conduct for competitive, scholastic-based activity. Violation of

these guidelines can lead to disciplinary action including suspension and/or termination.

Questions regarding ETPAA rules or WGI policies should be directed to an ETPAA Board of Directors member or the Contest Coordinator.

In the interest of maintaining decorum and providing a fair and equitable atmosphere of competition, we expect that all individuals and units participating in ETPAA contests and functions show proper respect, professionalism, and sportsmanship as outlined in the Code of Conduct & Ethics. Any questions about circuit rules or WGI policies should be directed to an ETPAA Board of Directors member.

### **CONTEST FEES**

Each unit must pay a fee for each contest. Circuit members pay Twenty-Five Dollars (\$25.00) per show. Non-members pay Eighty-Five Dollars (\$85.00).

### **CONTEST SCHEDULE**

The Board of Directors will establish a contest schedule at the fall meeting.

## PERFORMANCE ORDER

Drawing for contest performance order will utilize the performance order draw function in Competition Suite to randomize performance order for each show entered. Any unit whose member application and payment is received after the December membership meeting will be added to the schedule according to the date of the postmark (earlier postmarks receive later performance times).

Non-members may register for as many regular-season shows as they wish but may not participate in the Qualifier or Championships without joining the circuit and meeting performance requirements.

## PERFORMANCE CRITIQUE

Have a sign-up for Critiques before the show day (through Competition Suite if possible), or at the show day, so that only the groups that need a time can be assigned a time. If a unit signs up for a time and is a no show, then they lose the opportunity to participate in critiques at the next show(s) as determined appropriately.

## JUDGING PANEL ASSIGNMENTS

Judging assignments for contests will be posted to the ETPAA website as soon as practicable.

### **"IS THE GUARD READY?" OR "WGI START"**

Cadet, Prep, and Novice classification color guards will receive the "Is the Guard Ready?" prompt prior to competition. Once the unit is set, the announcer will ask "Is the Guard Ready?" Upon a signal from the Timing and Penalty Judge, the announcer will state the guard may take the floor for competition, and performance music will begin.

All other classifications of color guard, percussion, and winds will receive the "WGI Start."

When the color guard or drumline first enters the competition area, an announcement of... "Please welcome, from (city, state, country), (name of color guard/drumline)" will be made. At one minute thirty seconds (1:30) of the interval time for A Classes and Open classes (two minutes for World Class) or at any specific time noted to the Timing and Penalty Judge by the color guard, the announcer will be cued to say, "Performing their

program, (title), the East Tennessee Performing Arts Association is proud to present (name of unit).

## **SHOW HOSTS**

Show hosts will be selected once a bid application is submitted to the Secretary/Contest Coordinator. Interested hosts must complete a show host application and provide the appropriate bid or fee. The minimum fee for hosting the Qualifier is One Thousand Dollars (\$1,000.00). The regular contest host fee is Two Hundred Dollars (\$200.00). In the event of a tie, hosts may increase their bids or elect to stay at their current bid. In the event of a second tie, the Board of Directors will vote for show host. All show hosts must be active members of ETPAA.

Before applying to host a contest, members should refer to the Show Host Information packet for more information concerning operational and financial responsibilities, facility requirements, etc. Site specifications must be met by potential hosts in order to be eligible to apply.

## **SHOW CANCELLATION**

### Show Viability

If necessary, show hosts have the right to cancel their show if there are not enough units registered to operate a financially viable show.

Intent to cancel the contest, for this reason, must be communicated to the Contest Coordinator and to the units planning to attend at least twenty-eight (28) days prior to the scheduled event.

### Inclement Weather

The host must contact the Contest Coordinator the morning of the show so that judges can be contacted.

### Transfer of Registration Fees

In the event a show is canceled, a unit's show entry fee can be transferred to a later show in the season.

## **EQUIPMENT AND PROPS**

Equipment and props are to be padded according to WGI guidelines. Units should expect that equipment will be inspected in the warm-up, and props will be inspected in the holding areas. Equipment and props not appropriately taped and/or padded will not be allowed onto the performance floor.

Consequently, the intentional “banging” of equipment on the floor will not be permitted at any ETPAA contest. In accordance with WGI rules, units that damage the floor will be disqualified and will be held responsible for damages to the floor.

WGI rules for performer safety will be strictly adhered to at all ETPAA sanctioned events. It is the responsibility of the unit director to remain informed of all current WGI policies.

# **CHAMPIONSHIPS**

## **CONTEST FEES**

The fee for ETPAA Championships is One Hundred Dollars (\$100.00).

## **QUALIFICATIONS**

In order to qualify for ETPAA Championships, each unit must:

- pay membership dues and contest fees in full
- perform at an ETPAA qualifying event
- compete in two (2) other regular-season contests, excluding

Championships

Units may count one (1) WGI contest or WGI-recognized circuit (SCGC, SAPA, etc.) contest toward this requirement.

Cadet and Prep class guards may qualify for Championships by competing in one (1) qualifier and one (1) other ETPAA contest.

## PERFORMANCE ORDER

All units will be seeded for championships using their most recent ETPAA or WGI score increased by 1.5 points each week of the season following the week the score was earned.

The complete list of seeded scores will be used to create a ranking within each competitive class of 6 units or more. Classes with 6 or more competing units will then be split into equal halves based on the seeding score ranking. A random draw will then assign each unit's performance order at championships, with the lower-ranked half performing first and the higher-ranked half performing second. Within each half of the class, performance order will be random. For classes of 5 or fewer units, seeding scores will not be applied and the entire class will be randomized for championships.

In the case of an off number of units in a class, the additional unit will be included in the top half of the random draw (for example, if there are 7 units in a class, the top 4 based on the ranking will be randomized and perform later and the bottom 3 will be randomized and perform earlier). In the event that a group is promoted to a new sheet in their final performance prior to championships, they will be included in the random draw for the lower half of their new class.

Example:

Unit 1 scores a 65 at the Qualifier (week one)

Unit 2 scores a 66 at Seymour (week two)

Unit 3 scores a 68.5 at Seymour (week two)

Unit 4 scores a 74 at West (week six)

Unit 5 scores a 76 at West (week six)

Unit 6 scores a 76 at Heritage (week seven)

Seeding scores would be (championships would be week ten):

Unit 1: 78.5

Unit 2: 78

Unit 3: 80.5

Unit 4: 80

Unit 5: 82

Unit 6: 80.5

In this case, Units 3, 5, & 6 would be randomized and perform in the last three spots and Units 1, 2, & 4 would be randomized and perform in the first three spots.

## **HOST**

Potential host schools for Championships must meet membership and venue requirements established by the Board of Directors, must complete a show host application, and must provide a minimum bid of Two Thousand Five Hundred Dollars (\$2,500.00).

In the event of a tie, potential hosts will have the opportunity to increase their bid. If that results in a second tie, the host for Championships will be selected by a vote of the Board of Directors, with the President breaking any voting tie.

## **JUDGING PANEL ASSIGNMENTS**

Judging assignments will be posted to the ETPAA website the week of Championships.

# **ADJUDICATION**

## **JUDGE COORDINATORS**

The Judge Coordinators are responsible for the hiring of judging panels for each and every ETPAA contest. All judges will be expected to meet certain requirements set by the Board of Directors. ETPAA will require background checks for hired judges. These checks will happen every other year. The Judge Coordinators will be responsible for communicating travel arrangements and start times with all judges.

## **JUDGING CONCERNS**

Directors will have the opportunity to complete an online form following their critique. The form is available on the ETPAA website on the “Members Only” page. All other

judging concerns should be expressed in writing to the Judge Coordinator within five (5) days.

A critique session will be held after each ETPAA contest with the judging panel and the participating unit's director and/or staff. Critique time with each judge is at the discretion of the Judge Coordinator and/or Contest Coordinator and will be overseen by the Timing & Penalties judge or his/her designee. More information about critique will be communicated for each contest.

## JUDGING FEES

For all ETPAA shows, judges' fees are \$300.00 or eight dollars (\$8.00) per unit judged, plus \$0.58 per mile per judge for distances driven round trip.

Show hosts will be responsible for paying ETPAA \$75 per large ensemble unit registered to cover judging expenses. Show hosts would not be responsible for any other costs related to judging. Show host fee of \$75 per unit will not apply to solo, duet, or small ensemble unless that unit is the only participating unit for a given school (paying membership).

For scholastic marching ensembles, that means PSA if unit directors intend to ask the performers to achieve basic skills, PSO for intermediate skills, and PSW for those choosing to present advanced skills. Percussion ensembles must commit to either marching or concert classification during registration. Once a percussion ensemble competes in either class, they will not be able to change from marching to concert or vice versa within that same competitive season. Groups that wish to change classification after registration may do so provided they have not yet competed that season.

## PROMOTIONS

### GUARD PROMOTION

Guards in the following classes will be evaluated at the Qualifier: Prep, Novice, Scholastic Regional A, Scholastic A, Scholastic Open, Scholastic World. Guards will be assigned to a competition class through judges' scores.

The Judge Coordinator sets the promotion score scale annually, and it is approved by the Board of Directors.

If an ETPAA unit receives a circuit established promotion score while participating in a WGI event, that unit would be promoted in ETPAA. ETPAA promotion scores for the season will apply to ETPAA events and WGI events The review and appeal process would be the same as if that unit had received the score in an ETPAA event.

When a unit achieves a promotion score from four (4) of the five (5) judges at one (1) competition, the unit director will be notified prior to retreat by the Judge Coordinator or his/her on-site designee. Unit directors will have the choice to accept or appeal the promotion decision. Once the Judge Coordinator is informed of a unit director's

decision to accept or appeal, it is considered final. Unit directors may only appeal promotion **once** during a season. Once a unit accepts a promotion or in the event their appeal is denied, that unit is considered a member of their new classification immediately following the awards ceremony of the contest in which they were promoted.

Promotions will cease after the first Saturday in March, regardless of whether the promotion is dictated by the adjudication panel or is voluntary. Exceptions will be made for those units promoted by WGI at regional competition and must, therefore, participate in that classification to be eligible for WGI World Championships.

When a unit is promoted to a class with different time requirements, that unit will not be penalized for being under-time in the new class.

Guards may not be promoted from one WGI sheet to the next unless promoted by WGI at a WGI Regional or at WGI Championships, with the exception of units moving from WGI Regional A sheets to WGI A Class sheets.

All promotions from one sheet to the next at a WGI Regional or at WGI Championships will be honored by ETPAA.

## **PERCUSSION RECLASSIFICATION**

The Judge Coordinator sets the percussion promotion score scale annually, and it is approved by the Board of Directors.

Percussion units will be evaluated in the Qualifier, and the judges will provide input as to which classification is most appropriate for the season. A consensus will be comprised of three (3) of the four (4) judges.
